## **DO YOUR EARS HANG LOW?**

Do your ears hang low?  
Do they wobble to and fro?  
Can you tie them in a knot?  
Can you tie them in a bow?  
Can you throw them o'er your shoulder  
Like a continental soldier?  
Do your ears hang low?  
Do your ears hang high?  
Do they wave up in the sky?  
Do they crinkle when they're wet?  
Do they straighten when they're dry?  
Can you wave 'em at you neighbor?  
With a minimum of labor?  
Do your ears hang high?

I'd like to hold it in my arms and keep it company.  
I'd like to build the world a home and furnish it with love,  
Grow apple trees and honey bees and snow white turtle  
doves.

I'd like to see the world for once all standing hand in hand,  
And hear them echo through the hills for peace throughout  
the land.  
That's the song that I hear, let the world sing today.  
A song of peace that echoes on and never goes away.

## **Sippin' Cider**

The cutest guy  
I ever saw  
Was sippin' cider  
Through a straw  
The cutest guy I ever saw  
Was sippin' cider through a straw  
I asked him if  
He'd teach me how  
To sip some cider  
Through a straw  
I asked him if he'd teach me how  
To sip some cider through a straw  
First cheek to cheek  
Then jaw to jaw  
We sipped that cider  
Through a straw  
First cheek to cheek, then jaw to jaw  
We sipped that cider through a straw  
And now and then  
That straw did slip  
And we'd sip cider  
Lip to lip  
And now and then that straw did slip  
And we'd sip cider lip to lip  
Now 49 kids all call me MA  
From sipping cider through a straw  
Now 49 kids all call me MA  
From sipping cider through a straw.

### **A Man without a Mormon Girl**

A man without a mormon girl  
It's like a ship without a sail  
He's like a boat without a rudder  
He's like a fish without a tail  
A man without a moron girl  
is like a wreck upon the sand  
There's only one thing worse in this universe  
That's a mormon girl, what?  
That's a mormon girl , What?  
That's a Mormon girl without a man.  
WE OUGHTA KNOW....

### **HOT PRIEST**

I like a hot priest and I cannot lie  
You other sistas can't deny  
When a priest walks in with his scriptures in his case  
And a big grin on his face, you get a date.  
A celestial mate, but no.  
He's going on a mission; leaving you a wishin' for a man.  
Someone to hold your hand.  
Teachers, what? Deacons, what? You are guys at least.  
Your brothers are hot, but you are not,  
So give us those righteous priests.  
WORD!

### **AGILE FRAGILE HEART**

You can tell your ma and you can tell your pa  
that you have found a girl that you can trust  
I never dance to close, My language isn't gross  
and I don't touch no alcohol or drugs  
ooooooooo

Don't tell my heart, my agile fragile heart  
that your expecting me to compromise.  
Cuz that would break my heart, my agile fragile heart  
and I would blow up and say goodbye

Go and tell your bishop you want to serve a mission  
an RM is the only man I'll love  
cuz they make better grooms for temple sealing rooms  
and that's the only room I'm dreaming of.  
oooooooooooo

Don't tell my heart, my agile fragile heart  
that your expecting me to compromise.  
Cuz that would break my heart, my agile fragile heart  
and I would blow up and say goodbye

Picked me up about half past eight  
I'm a nut!  
I'm a nut!  
I'm a nut!  
I'm a nut!  
Took myself to the movie show  
Stayed too late and said : Let's go  
Took my hand and led me out  
Drove me home and gave a shout!  
I'm a nut!  
I'm a nut!  
I'm a nut!  
I'm a nut!

## **WATERMELON**

Just plant a little watermelon on my grave,  
and let the juice (slurp sound) trickle through,  
Just plant a little watermelon on my grave,  
That's all I ask of you.

Now fried chicken is mighty mighty fine,  
but there's nothing quite as fine as a watermelon vine,  
so plant a little watermelon on my grave,  
and let the juice (slurp sound) trickle through.

## **EMBARK**

We're starting on a journey, we're following the light  
It's giving us direction leading us through life  
We'll follow where it leads us  
Wherever it may be  
whether to a land of promise or through the stormy seas  
No matter how far  
We're not afraid  
His love will light the way  
So we will stand up all together  
Raise our eyes up to the sky  
With faith and love in our hearts  
We will embark  
We will give what we've been given  
Live our lives with faith  
Lift up those around us and help them on their way  
We will live a life of meaning and cherish every step  
So when we meet our maker there's nothing to regret  
No matter how far  
We're not afraid  
His love will light the way  
So we will stand up  
All together  
Raise our eyes up to the sky

With faith and love in our hearts  
We will embark  
So we will stand up  
All together  
Raise our eyes up to the sky  
With faith and love in our hearts  
We will embark  
The wind has changed direction  
We're sailing towards the sun  
Knowing everything is gonna change  
And no one can imagine the blessings that will come  
When we serve with all our might, mind and strength  
So we will stand up  
All together  
Raise our eyes up to the sky  
With faith and love in our hearts  
We will embark  
Yeah we will stand up  
All together  
Raise our eyes up to the sky  
With faith and love in our hearts  
We will embark  
We will embark

## **A Child's Prayer**

1. Heavenly Father, are you really there? And do you hear and answer ev'ry child's prayer? Some say that heaven is far away, But I feel it close around me as I pray. Heavenly Father, I remember now something that Jesus told disciples long ago: "Suffer the children to come to me." Father, in prayer I'm coming now to thee.

2. Pray, he is there; Speak, he is list'ning.  
You are his child; His love now surrounds you.  
He hears your prayer; He loves the children.  
Of such is the kingdom, the kingdom of heav'n.

## **I Walk by Faith**

I will prepare to make and keep sacred covenants,  
Seek promised blessings of the priesthood thru obedience,  
Live my life to claim the blessing sweet of exaltation, My  
testimony growing each new day.

I walk by faith, a daughter of heav'nly parents.

Divine am I in nature by inheritance. The Spirit whispers of  
my mission, my individual worth, So I seek for precious  
knowledge, for learning, and for growth. I understand the  
meaning of accountability; Ev'ry choice for good or ill is my  
responsibility. I want to build the kingdom and good works is  
the key. By doing what I know is right I show integrity.

I walk by faith, a daughter of heav'nly parents. Divine am I in  
nature by inheritance. And someday when God has proven  
me I'll see Him face to face. But just for here and now I walk  
by faith. Yes, just for here and now I walk by faith.

## **I Stand All Amazed**

1. I stand all amazed at the love Jesus offers me,  
Confused at the grace that so fully he proffers me. I tremble to  
know that for me he was crucified,  
That for me, a sinner, he suffered, he bled and died.

[Chorus]

Oh, it is wonderful that he should care for me  
Enough to die for me! Oh, it is wonderful, wonderful to me!

2. I marvel that he would descend from his throne divine  
To rescue a soul so rebellious and proud as mine, That he  
should extend his great love unto such as I, Sufficient to own,  
to redeem, and to justify.

3. I think of his hands pierced and bleeding to pay the debt!  
Such mercy, such love and devotion can I forget? No, no, I  
will praise and adore at the mercy seat, Until at the glorified  
throne I kneel at his feet.

## **There is Sunshine**

1. There is sunshine in my soul today, More glorious and  
bright Than glows in any earthly sky, For Jesus is my light.

[Chorus]

Oh, there's sunshine, blessed sunshine When the peaceful  
happy moments roll. When Jesus shows his smiling face,  
There is sunshine in the soul.

2. There is music in my soul today, A carol to my King, And  
Jesus listening can hear The songs I cannot sing.

3. There is springtime in my soul today, For when the Lord is  
near, The dove of peace sings in my heart, The flow'rs of  
grace appear.

4. There is gladness in my soul today, And hope and praise  
and love, For blessings which he gives me now, For joys "laid  
up" above.

## **I'm trying to be like Jesus**

I'm trying to be like Jesus,  
I'm following in His ways.  
I'm trying to love as He did  
In all that I do and say.  
At times I am tempted  
To make a wrong choice,  
But I try to listen  
As the still small voice whispers:

"Love one another as Jesus loves you.  
Try to show kindness in all that you do.  
Be gentle and loving in deed and in thought,  
For these are the things Jesus taught."

I'm trying to love my neighbor.  
I'm learning to serve my friends.  
I watch for that day of gladness  
When Jesus will come again.

I try to remember the lessons he taught,  
And the holy spirit enters into my thoughts, saying:

"Love one another as Jesus loves you.  
Try to show kindness in all that you do.  
Be gentle and loving in deed and in thought,  
For these are the things Jesus taught."

## **As Sisters in Zion**

1. As sisters in Zion, we'll all work together; The blessings of God on our labors we'll seek. We'll build up his kingdom with earnest endeavor; We'll comfort the weary and strengthen the weak.  
2. The errand of angels is given to women; And this is a gift that, as sisters, we claim: To do whatsoever is gentle and human, To cheer and to bless in humanity's name.  
3. How vast is our purpose, how broad is our mission, If we but fulfill it in spirit and deed.  
Oh, naught but the Spirit's divinest tuition Can give us the wisdom to truly succeed.

Because I Have been given much

1. Because I have been given much, I too must give; Because of thy great bounty, Lord, each day I live. I shall divide my gifts from thee With ev'ry brother that I see Who has the need of help from me.  
2. Because I have been sheltered, fed by thy good care, I can not see another's lack and I not share My glowing fire, by loaf of bread, My roof's safe shelter overhead, That he too may be comforted.  
3. Because I have been blessed by thy great love, dear Lord, I'll share thy love again, according to thy word. I shall give love to those in need; I'll show that love by word and deed; Thus shall my thanks be thanks in deed.  
Walk Tall you're a Daughter of God

1. Right now I have a prayer deep within my heart, A prayer for each of you there is a special part. That you remember who you are and Him who lives above. Please seek for Him and live His way; you'll feel His love.

Chorus:

Walk tall, you're a daughter, a child of God. Be strong—please remember who you are. Try to understand, You're part of His great plan. He's closer than you know—reach up, He'll take your hand.  
2. Long before the time you can remember, Our Father held you in His arms so tender. Those loving arms released you as He sent you down to earth. He said, "My child, I love you. Don't forget your great worth."  
3. This life on earth we knew would not be easy.

At times we lose our way—His plan we may not see. But please remember always—please—that you are not alone. He'll take your hand. He loves you! He will guide you home.
